

Souls all around us are in desperate need of hearing the pure Gospel of Christ, God's power to save. Sadly, there are many counterfeits being peddled by the enemies of truth. This is nothing new. Almost immediately after the apostles began their work of spreading the Gospel, Satan began his work of spreading lies. The book of Galatians has been called the "Magna Carta of the Christian Faith". The book of Ephesians is often considered to be the greatest treatise on the church of our Lord. The truths gleaned from these two great books are invaluable to our understanding of the one true Gospel, and of precious bride of Christ. The Fort Worth Bible Lectures have always been focused on the Word of God as the only defense against Satan's lies, and the truth that sets us free. This volume continues a series of "Gleaning from the Word of God," now in its twelfth year. This book, and the collection of which it is a part, make a great source of lesson material, and a ready reference for personal Bible study.
