

In these new, small format touch & feel books, Spot is ready for a full days worth of fun in four different locales-the farm, the beach, the garden, and finally playing at home. Along the way, simple words on every page describe the things Spot sees and the toys he plays with. Every page has an interactive touchy-feely-from a gritty sandcastle at the beach, to a fluffy sheep on the farm, to a smooth, shiny birdbath in the garden. So kids get to experience every bit of fun that Spot does. Perfect for occupying young hands and minds during playtime in any of these places, Spots four little books of fun are perfect for springtime, summer, and all year long!
