

In 2000, the total GDP of Earth was \$36 trillion. At the start of 2007, it was \$70 trillion. Today that growth has gone suddenly and sharply into decline. John Lanchester travels with a cast of characters - including reckless bankers, snoozing regulators, complacent politicians, predatory lenders, credit-drunk spendthrifts, and innocent bystanders, to understand deeply and genuinely what is happening and why we feel the way we do.

John Lanchester's Whoops! is a book that made my head spin. That's partly because of the author's speed of thought – here is an explanation. Buy Whoops!: Why Everyone Owes Everyone and No One Can Pay by John Lanchester (ISBN:) from Amazon's Book Store. Everyday low. These other works formed a small book about the crash, Whoops!: Why Everyone Owes Everyone and No One Can Pay that came out in This small. –œI.O.U.–œ crosses over into black satire when Mr. Lanchester describes how bankers Why Everyone Owes Everyone and No One Can Pay. Andrew Martin didn't understand the credit crunch or banking, and then he read John Lanchester's Whoops!: Why Everyone Owes Everyone.
